

L&O Letters Early Career Publication Honor application form

We invite applications for the 2022 Limnology & Oceanography Letters Early Career Publication Honor that pays the publication cost of open-access articles authored by Early Career Researchers (ECRs) in need. The Honor was conceived and is managed by ASLO's Raelyn Cole Editorial Fellows to support publication of innovative research in the aquatic sciences by ECRs who have no funding or prospects for securing funding to pay the cost of open-access publication.

* Required

1. Email *

Relevant information for completing your application

For information on L&O Letters article types, please visit

<https://aslopubs.onlinelibrary.wiley.com/hub/journal/23782242/about/author-guidelines#Articletypes>.

For information on how to write a Scientific Significance Statement, please visit

<https://aslopubs.onlinelibrary.wiley.com/hub/journal/23782242/about/author-guidelines#Scientificsignificance>.

For information about L&O Letters data-publishing policy, and how to ensure you can meet this requirement, please visit <https://aslopubs.onlinelibrary.wiley.com/hub/journal/23782242/about/author-guidelines#data> and read <https://aslopubs.onlinelibrary.wiley.com/doi/10.1002/loi2.10252>.

Primary applicant details

If questions are not applicable, please write N/A. Questions with an asterisk are mandatory.

If you have a second ECR as a first author, please complete the section for Secondary applicant details with their information.

2. Please provide your full name (and name used in scientific publications, if different from your full name). *

3. Please provide your email. *

4. What is (are) your current affiliation(s)? *

5. What is your current position? *

6. What is the date and title of your highest degree (actual or estimated; e.g., B.Sc. *
in Oceanography, estimated 2023)?

7. Are you submitting an application with joint first authorship? *

Mark only one oval.

Yes

No

8. Do you have a second corresponding author? If so, please provide their full *
name and main affiliation.

9. What format article do you anticipate submitting? *

Mark only one oval.

Letters

Essay

Current evidence

10. OPTIONAL: Are you a current ASLO member? How did you hear about this
honor?

Secondary applicant details

This section should only be filled by applicants with two ECRs as joint first authors.

- 11. Secondary applicant: Please provide the full name (and name used in scientific publications, if different from full name).

- 12. Secondary applicant: What is (are) your current affiliation(s)?

- 13. Secondary applicant: What is your current position?

- 14. Secondary applicant: What is the date and title of your highest degree (actual or estimated; e.g., B.Sc. in Oceanography, estimated 2023)?

Short-answer questions

If questions are not applicable, please write N/A. Questions with an asterisk are mandatory.

- 15. All submissions to L&O Letters require a Scientific Significance Statement. *
Please provide one for your study (125 word maximum). Depending on the stage of your data analysis, the resolution statement can be either concrete or may represent the expected resolution.

16. How does your study expand our existing knowledge of aquatic ecosystems? *
This can include a description of unique or integrative approaches to your research (100 words maximum).

17. What is the current status of your manuscript? When do you expect to be prepared for submission? (50 words maximum). *

18. L&O Letters has a very strict data-publishing policy. Submissions which do not comply with this policy will not be accepted for publication. Will you be able to meet this requirement? *

Mark only one oval.

Yes

No

19. OPTIONAL: Please explain your request for extending the eligibility criteria of 5 full years after the completion of your highest degree (100 words maximum).

20. OPTIONAL: Are you currently living/working in a country herein considered to be a part of the Global South or in Ukraine? If so, please select that country from the drop-down menu.
